SYSTEM

DECISION ON PETITION
UNDER 37 C.F.R. §1.137(b)

This is a decision on the petition filed October 25, 2004, pursuant to 37 C.F.R. §1.137(b)¹, to revive the above-identified application.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice of Missing Parts (notice), mailed March 2, 2004, which set a shortened statutory period for reply of two (2) months. No response was received, and no extensions of time under the provisions of 37 C.F.R. §1.136(a) were requested. Accordingly, the above-identified application became abandoned on May 3, 2004.

With the petition, Petitioner has submitted the petition fee, as well as the substitute specification as required by the notice of March 2, 2004.

Petitioner has met all requirements for a grantable petition under 37 C.F.R. §1.137(b). As such, the petition is **GRANTED**.

¹ A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

- (1) The reply required to the outstanding Office action or notice, unless previously filed;
- (2) The petition fee as set forth in § 1.17(m);
- (3) A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;
- (4) Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

The application file is being forwarded to the Office of Initial Patent Examination for further processing.
